# Conference Aston

# How to find us... by road, rail and air

## The Greener Way to Meet!

Conference Aston boasts an exceptional location on the Aston University campus, benefitting from extensive transport links; we promote using public transport when visiting our venues, with three mainline stations which are indicated on the following map, all stations are within walking distance.

**If you walk from New Street station...** the average person will burn approximately 66 calories! That means you can enjoy a biscuit with your coffee when you arrive and not feel guilty!

**Taking the train instead of the car...** can reduce your carbon emissions by up to two thirds!

### Rail travel

New Street, Snow Hill and Moor Street train stations are all within 10-15 minutes walk of the venue or a 5 minute taxi journey. Please visit [www.thetrainline.com](http://www.thetrainline.com) for details of times and tickets.

On foot from the stations:

We have developed interactive Google walking maps from New Street and Snow Hill train stations, available for download from [www.conferenceaston.co.uk/WalkWithGoogle](http://www.conferenceaston.co.uk/WalkWithGoogle)

### Bus routes

A number of bus services operate to the University campus throughout the day. For further information, please visit [www.nxbus.co.uk/west-midlands](http://www.nxbus.co.uk/west-midlands) where a route planner to the Aston University campus is available.

### Taxi drop off points

All of the venues have taxi drop off points. Be sure to say to your driver that they should go to the Aston University campus. The central drop off point is a minute's walk to the conference centres and hotel.

### Satellite navigation devices

The car park for delegates that have pre-booked parking online, is Car Park 12.

Car Park 12 Postcode: B4 7PS  
Street Name: Off Jennens Road

Please ensure you have your access code, as Car Park 12 is barrier controlled.

PLEASE NOTE that many GPS systems will not show that Aston Street is closed to through traffic, so access to Aston Street should be from Woodcock Street only and not from the James Watt Queensway. Please use the map overleaf to locate the car parks.

### Birmingham Airport (BHX)

The venues are a mere 9 miles from Birmingham Airport and a taxi journey should take approximately 20-30 minutes dependent on traffic. There are also trains from Birmingham International station to Birmingham New Street (approximately 5-10 minutes journey time) then follow the directions above for taxi journeys or walking to the venues.

### Travelling by car

We have electric car charging points outside both of the conference centres and hotel!
